Print Shop Instructions

Information

There is a fee of \$5 to put prints in the print shop and there is a limit of 20 pieces per artist.

You can have 20 copies of one title or a mix of copies of different titles adding up to 20 pieces (e.g. 5 copies each of 4 titles or 10 copies each of 2 titles).

Westercon 70 collects a 15% commission on all Print Shop sales.

It is strongly suggested that any artwork placed on the Print Shop table be matted and wrapped to protect it during browsing.

Print Shop artwork is Direct Sale only.

Please ensure that all pieces have the **artist's name, piece title, type of print/medium, print/edition number and price** clearly marked on the back. If it is a limited edition, how many impressions were made.

Please also ensure that the information on the print control form and the artwork match. If it is not clear or there are discrepancies in the information, we will not be able to display your work until we contact you for clarification.

If you have questions, please feel free to contact Annette Sexton-Ruiz at (602) 667-0511 before June 27, 2017.
